★ CHAMPIONSHIP RULES

- All obstacles are mandatory, can be overcome as a fast/slow line
- No handicap possible
- One attempt for fast line only
- Unlimited attempts on slow line, but give way to newcomers
- No helping to each other
- Every runner has 3 lifes = 3 wristbands for each race
- 2 wristbands on right hand
- 1 wristband on left hand, where a volunteer marks a slow line
- Slow line + 60sec to your final time
- For not overcoming an obstacle +300sec added to your final time and losing of wristband
- For not not overcoming 3 obstacles in total in one race, you will loose all 3 wristbands and will be classified as DNF.
- At finish line every runner have to announce to Chiptiming a total count of slow lines and a number of lost wristbands, then the final time will be adjusted accordingly.
- Only the runner who will successfully finish all 3 Predator Race Alpine Master weekend races (Dril, Brutal, Masakr) and his/her total time, after all added penalties, will be the shortest - will win the Championship.

⚡ FAST / SLOW

Fast line and Slow line

Some obstacles can be overcome as Fast line - more difficult but faster way OR as Slow line - easier but more time-demanding way.

Elite runners in Elite waves cannot help each other, Open runners and Open waves can help each other.

There is only **1 attempt on the Fast line**, after that the competitor have to go to the Slow line and give priority to newly running competitors if there is a queue.

HDC HANDICAP

Handicap is an additional extra run, when you are not able to overcome an obstacle. The length depends on the difficulty of the obstacle. Handicap can also be an additional round in crab walk.

Handicap 200m-500m+
